Questions from November 6, 2018

1. I don't see that there is a bid bond needed. Is that correct?
2. I just want to make sure we are not required to supply a bid bond or Performance & Payment bond for this project. I don't see anything in the docs, but I just want to be sure.
 - Correct
3. I had a question regarding the materials. I was looking for a clarification on carpet 1, 2 3 and what percent is needed for each material.
 - Please read the details in the RFP. It does specify the % for the three.
